

Level Creek Elementary School
Academic Committee
February 4, 2011

Dear Parents,

PTA is excited to announce the annual Academic Fair. This fair is extending the idea of a science fair to include other academic subject areas, including social studies, and mathematics. In addition to the regular science “experiment” project, the students will be able to choose to do a science “research” project. Each class will also have the opportunity to enter a class project in any of the subject areas.

The date of the Academic Fair is March 16th -18th . Project setup will begin after school on Wednesday, March 16th and continue on Thursday morning, March 17th. Judging will take place during the day on Thursday. Judges will include members of the community as well as county teachers. Projects will be on display during the days of March 17th and 18th. All projects need to be picked up after school on Friday March 18th.

The academic fair is open to all Level Creek students and classes. There will be a 1st, 2nd, and 3rd place winner in all categories in K-1st, 2nd -3rd, and 4th -5th. The same will be awarded to the class projects. Every student in the winning classes will receive a ribbon for participation in the project.

The judging guides, as well as websites for topic ideas, are available to view on our website at www.levelcreek.org

Participation is encouraged for any student interested. Due to space limitations, there can only be one entry per student. Entry forms must be received no later than Tuesday, March 1st. Please return your entry form to your teacher by the March 1st deadline.

I hope I have answered any questions that you may have concerning this upcoming event. If you have any additional questions, or would like to help out in any way, please contact me at 770-614-7434 or email at harringtontigers@gmail.com.

Thanks!
Melissa Harrington
