

Turning Trash Into Cash

Dear Parents and Students,

With your hard work, the Level Creek EARNING FOR LEARNING PROGRAM reported nearly \$10,000 in savings for the school last year. This year, we are having three contests to boost participation even higher:

1. **Monthly** – each month, classes who save the most EFL items will win a popcorn party. Our first collection will be at the end of August.

2. **Quarterly** – classes who recycle the most ink and toner cartridges will receive a special award from Technology.

3. **NEW! Sept-Oct. ONLY** – Turn in your Kroger receipt that shows you linked your Kroger card and you will be entered to win one of 5 Webkinz! To register your card at Kroger, you must scan the barcode (below) AFTER you scan your Kroger Plus Card. A school code will appear on your receipt. Simply turn the receipt into your teacher (only the school code portion is needed).

Additional barcodes are available at the office, the welcome desk, and at the Suwanee Kroger Customer Service Desk.

Last years totals and complete itemized lists of everything we collect can be found on the Level Creek website at:

www.levelcreek.org/pta/EarningforLearning.htm.

Thank you in advance for all your work in turning **TRASH into CASH** for Level Creek.
