

Help the City of Suwanee build a magical classroom in the trees!

- The City of Suwanee's Harvest Farm at White Street Park, Georgia's largest organic community garden, plans to build an accessible, eco-friendly treehouse to help teach *all* children how to be good stewards of our environment.
- This project has been accepted as a candidate for the month of September in Pepsi's Refresh Project. Please visit www.refresheverything.com/treehousefordisabledkids *every day* throughout September to vote for this project. Register & vote daily from each of your family's e-mail addresses. Also, **text 102672 to 73774** each day from all of your family's cell phones.
- With your help, the City of Suwanee and Harvest Farm can build an awesome treehouse that will be accessible to children of all abilities. There, children will learn about the environment in this magical classroom in the trees. Thank you so much for your support!
