

PTA PRESS – MAY 2011

LETTER FROM THE PRESIDENTS

We want to thank everyone who has supported the PTA this year, both with volunteering and financial support. We would not be able to provide the amazing programs and resources to the children of Level Creek without the tremendous support we receive from our stellar PTA.

As we close out this year and look towards an exciting 2011-2012, please consider joining or chairing a PTA committee for the coming school year.

Thank you again for all you continue to do for the students and teachers of Level Creek Elementary.

Have a safe and happy summer!

Susan Villhauer and Shannon Etherton
2010-2011 Level Creek Elementary PTA Co-Presidents

GEORGIA NATURAL GAS AND TRUE BLUE SCHOOLS

Summer brings lower gas prices and a perfect opportunity to earn money for Level Creek without spending a dime.

New customers earn \$100 of FREE money for our school with Georgia Natural Gas.

Existing GNG customers earn \$60 per year!

Summer is the best time to lock into a new Natural Gas contract while the rates are low. As you may have seen at Open House, Georgia Natural Gas has teamed up with Level Creek with their True Blue Schools Program. Every new and existing Georgia Natural Gas account linked to our school will earn LCES \$40 instantly and \$5 each month you remain a GNG customer.

Families who currently have GNG but are not linked to the school:

Grab your latest bill and visit www.trueblueschools.com. Follow the prompts to link your GNG account to Level Creek. All you need is your GNG account number and some new account information. GNG will email you when they make a donation to our school. GNG will donate \$5/mo as long as your account

is in good standing. Ask relatives, friends and neighbors to enroll. It's FREE, and does not affect your GNG rate.

Families using other gas providers:

Consider switching** (not applicable to Sugar Hill residents). GNG will donate \$40 to our school + \$5/mo as long as your account is in good standing, AND switch you for free.

**Please note that if you are currently locked into a contract with another natural gas company, cancellation fees may apply if you switch before the contract expires.

Ask around. You would be surprised how many family members, friends and neighbors around Georgia are with Georgia Natural Gas. It takes about 1 minute to link an account and doesn't cost them a penny.

What about GNG rates? How do they stack up?

The [Georgia Public Service Commission site](#) publishes all the rates for gas marketers. Not only are GNG rates comparable with other companies, but they are the only gas provider who is investing in Recycled Natural Gas AND giving money to schools around Georgia. PLUS, they are offering price incentives at www.onlygng.com. Just make sure you write down the codes and register through www.trueblueschools.com for our school to get credit for your enrollment.

Feel free to email Angie O'Farrell with any questions at angie@ofarrellgroup.com.

STEPPING STONES CAMPAIGN – ORDER ONLINE!

If you are interested in ordering a Stepping Stone that will be installed over summer break, please click on the link below to access our online order form (no online payments accepted), or download a form using the 2nd link below.

After Thursday, you will need to mail your payment to the school at:

4488 Tench Road
Suwanee, GA 30024
ATTN: Stepping Stones Campaign
